DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-3, 8-10 have been found to be allowable over the prior art of record since the prior art of either alone or in combination, neither discloses nor makes obvious the combination of an image recording apparatus comprising a laser exposing unit and a heat developing unit being positioned adjacent to each other on a horizontal plane, along with a mounting tray which is positioned below the laser exposing unit and the heat development unit or the mounting tray is positioned above the laser exposing unit and the heat developing unit. Applicant's arguments are deemed persuasive and incorporated herein by reference.

Claims 6-10 have been found to be allowable since the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of an image recording apparatus comprising, among other features, a supporting plate supporting the recording material in the laser exposing unit, two depressing rollers with particular function, and along with a mounting tray, with specific arrangement, as recited in the instant claims.

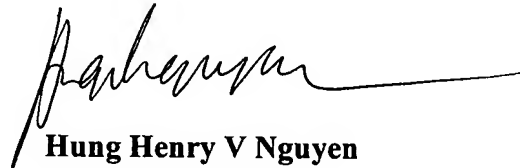

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
